CUSTOMER ID NUMBER: _____

I, _____ the owner of Lot _____, Section _____
would like to change the name that appears on my account statement from:

(Date Tenant/Occupant Moved In)

I understand that if for any reason the tenants/occupants do not pay any water fees that are due to Chesapeake Ranch Water Company, I as the owner am ultimately responsible for these charges. It is the responsibility of the owner to notify CRWC when a tenant vacates the property.

By signing this name change form I understand that my tenant(s) will be added to my account as a courtesy to receive copies of bills and mailings from the Water Company but that Chesapeake Ranch Water Company and my tenants do not have a contract together. Tenants will not be able to make special payment arrangements with Chesapeake Ranch Water Company.
